

Davison College.

THE friends of this Institution will be pained to learn that the Rev. Mr. Phillips of our University, who was elected Professor of Mathematics by the Presbytery of Concord, Morgan, and Belvoir, declines accepting. In consequence of which, it becomes necessary to hold an election to fill that Professorship at an early day. At a meeting of the Board of Trustees at Davidson College on the 5th instant, it was Resolved, That a meeting of the above Presbyteries be called at Charlotte on the 22d Wednesday (the 10th) of July next, at the hour of 11 A. M., to elect a Professor, and to transact any other business in connexion with the Institution, which may claim their attention.

The Board of Trustees at their late meeting fixed on the 29th, 30th and 31st of July as the days for the examination of the young gentlemen.

By direction of the Board of Trustees.

PROSPECTUS OF THE

AMERICAN MUSEUM.

THE American Museum of Literature and the Arts will combine the solidity of a review with the lighter miscellany of a magazine; besides impartial reviews of important works, and short notices of minor literary productions by the editors, it will embrace essays, tales, histories, poetry, literary and scientific intelligence, and translations from standard and periodical works in other languages, contributed by some of the ablest writers of the day.

The Magazine will also contain a series of reviews of such writers as have by their talents shed lustre upon American literature. These reviews will be accompanied by portraits of the authors, engraved on steel by the best artists. The work will be beautifully printed, with new types, upon fine paper, and will make two volumes each year, of more than 250 pages each.

Agencies will be established in the principal cities, and arrangements made to deliver the work free of postage. As the Museum is printed on a medium and a half sheet, the highest postage that can be charged to any part of the country, for one year, will be \$1.50. Persons desirous of acting as agents will apply post paid. Terms \$5 per annum, payable on the delivery of the first number.—Five copies \$2.00.
